REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ware Shoals Primary continues to provide a rigorous curriculum and places priority in character development. Although we are proud of the many successes we have accomplished, we continue to refine our instructional practices to ensure students are provided with optimal learning opportunities.

This year we have focused on intervention strategies which teachers have incorporated into their classroom lessons. Grade level teachers continually refine benchmark evaluations which are administered at the end of each nine weeks. These benchmarks ensure all Common Core State Standards are emphasized and, as a result, provide a consistency across each grade level.

Character education also plays an integral part of our curriculum. We embrace the PBIS model of reinforcing and celebrating positive behavior as we understand it to be an integral part of our students’ success outside the classroom.

We are truly fortunate to have the continuing support from students, parents, and our community which allows us to push towards our district vision of “Learning, Serving, and Leading”.
